A microbe on a dollar bill. Abode in peace and plenty. But moved one day—and starved to death. Its new home was a twenty.

BISHOP BECOMES JUDGE TO-DAY

Newly Appointed Jurist Will Be Sworn in This Morning by the Circuit Clerk—For New Criminal Division.

C. Orlick Bishop, whose appointment as Judge of the new criminal division of the St. Louis Circuit Court was made by Governor Folk yesterday, will be sworn in by the Clerk of the Circuit Court in the Courtroom at 10 o'clock this morning. The law under which the new judicial division is created becomes operative at once, and Judge Bishop will enter on the duties of his office immediately.

The appointment is regarded as Governor Folk's recognition of the high legal attainments and personal character of Judge Bishop, and as a tribute to the effectiveness and ability which he gave Mr. Folk in the prosecution of the cases against the hoodlums and also as a reward for Judge Bishop's efforts to secure the establishment of the office.

Judge Bishop fathered the movement for a new criminal division, and was one of the most earnest advocates of the innovation during the recent session of the Legislature.

The question of quarters for the new court is already causing some concern. There is no room in either the Courtroom or the Four Courts building. Judge Bishop recommends that the whole west end of the Four Courts, now occupied by the offices of the Chief of Police, Chief of Detection, Inspector of Police and storekeepers, be thrown into a chamber for the new court. His suggestion probably will be adopted.

GUARD WITNESSES AGAINST PACKERS

Fifteen Secret Service Men Watch Persons Who Are to Testify in Chicago at Investigation of the Beef Trust.

Chicago, March 2.—Fifteen Secret Service men have been brought to Chicago to guard the witnesses who will appear and testify before the special Grand Jury which tomorrow will begin the investigation of the transactions of the so-called Beef Trust.

So great is the desire of the Federal officials to maintain a strict secrecy in the investigation that every witness who testifies before the Grand Jury will be closely guarded by one of the Secret Service men to prevent his being approached by newspaper men or agents of the packers.

Twenty men have qualified as grand jurors, and the Federal officials hope to be able to complete the list of jurymen tomorrow.
